Competitors are reminded that the course passes adjacent to several shoals

and reefs. Caution should be exercised throughout the race, with special attention given in the area east and south of Wasque Point on the southeast corner of Chappaquiddick Island, where strong currents have occasionally forced boats to anchor while awaiting favorable conditions. Use of engines to safely navigate any part of this course will be a RRS 42 infraction and boats that engage their engines are expected to retire.

10 ALTERNATIVE PENALTIES

'ROUND-THE-SOUND

10.1 Alternative scoring penalties will be posted in the Sailing Instructions.

'ROUND-THE-ISLAND

10.2 Alternative scoring penalties may be posted in the Sailing Instructions.

11 SCORING

11.1 The scoring will be Time-on-Time (ToT) using the PHRF-NE and NEMA rating conventions. Within PHRF-NE, there will be three classes: Spinnaker, Non-Spinnaker and Double-Handed with Spinnaker. The organizing authority may combine or subdivide each of the classes or divisions at its discretion.

12.1 Except in an emergency, and except for intra-boat communications within boats sailed double-handed, a boat shall neither make radio transmissions while racing nor receive radio communications not available to all boats. This restriction also applies to mobile telephones, PDAs and other electronic devices capable of receiving transmissions originating off the boat.

12.2 Radio communications between competitors and the Race Committee will be on VHF Channel 72, with the exception of check-in for 'Round-the-Island on VHF Channel 73.

14 DISCLAIMER OF LIABILITY

- 14.1 As a condition of entry, each participating owner, skipper, and individual crew member shall submit an online liability waiver release. The fully executed Liability Waiver Forms shall be submitted prior to racing. The waiver form link can be found on the regatta website at www.Yachtscoring.com. Boats shall not be scored unless the required forms have been submitted.
- 14.2 RRS 3 states: 'The responsibility for a boat's decision to participate in a race or to continue to race is hers alone.' By participating in this event each competitor agrees and acknowledges that sailing is a potentially dangerous activity with inherent risks. These risks include strong winds and rough seas, sudden changes in weather, failure of equipment, boat handling errors, poor seamanship by other boats, loss of balance on an unstable platform and fatigue resulting in increased risk of injury. Inherent in the sport of sailing is the risk of permanent, catastrophic injury or death by drowning, trauma, hypothermia or other causes. The organizing authority will not accept any liability for material damage or personal injury or death sustained in conjunction with or prior to, during, or after the regatta.
