

## **Nor Amendment #1**

### **Nassau Cup Race – January 11, 2024**

As explanation for the amendment, we understand it has become increasingly difficult to find dockage in Miami proper leaving competitors to find alternate dockage farther north. In that regard, we are moving the start for the Nassau Cup approximately 12 miles north of the Miami Harbor Entrance.

Further details will be made available in the Sailing Instructions.

#### 7 COURSE

7.1 The course shall be from the Start Line **approximately 12 nm northeast** of the Miami Harbor entrance (Government Cut), to the Finish Line at the northwest entrance of Nassau Harbour, leaving Great Isaac (including Northeast Rock and East Brother), and Great Stirrup to Starboard.
