

NOTICE OF RACE AMENDMENT #1

Add the following to NOR #1 – RULES

1.20 The OA elects to allow entrants to be ORR rated for and use non-Large Roach Headsails set to leeward connected to Whisker Poles or Outriggers as described in 2021 ORR 10.05(f) & (g). This changes the 2021-2024 RRS 55.3 (a).

This applies to CORW events utilizing the ORR rating system and only for boats with described configurations on their rating certificate .

Reason: This is in keeping with larger offshore races that utilize ORR ratings and boats that train for those events in shorter blue water events like the CORW events and that are optimized with this rig configuration.
