

THE GREENPORT OCEAN RACE & THE GREENPORT BAY RACE

OCTOBER 11, 2014

AMENDMENT TO SAILING INSTRUCTIONS 2

The course for the Greenport Ocean Race will be the North East Light.

The course for the Greenport Bay Race will be the North Race.

It's a beautiful day for a yacht race. We hearty types eat up all this rain and wind so it's going to be a great day.

Sail fast and sail hard, and have a safe journey. Let's all remember that we are all racing around islands that have rocky shorelines and nothing will ruin a race, a day, and a boat like a rock. Don't take chances. Keep your boat in deep water. Of particular concern in the ocean race is the southeast side of Block. In the bay race the bad areas are the southwest side of Mashomack and the area around Rams Head. Be safe.

See you tonight at the pub crawl.
