Dear supporters of the annual Bayweek regattas, we are doing everything in our power to hold the 127th consecutive Bayweek Regatta! We have made the changes listed below in order to assist the committee in carrying through with our plans and having a safe, responsible event and enjoy some time on the water with our friends and fellow competitors. We have a very large yard and tent area, so all social events will be spread out to observe proper social norms as prescribe for by the State of Ohio and your personal choices.
