

Thank you for your interest in dockage/mooring for the Storm Triesail / Riverside Yacht Club LIS Championship at Riverside Yacht Club.

Please be advised that due to the current COVID-19 situation, there are increased protocols in place and limited amenities available at RYC. Please review the following guidelines. Your reply and confirmation of adherence to these is required before further arrangements can be made.

- Face coverings are required at all times while on club property, in the parking lot, in the marina, on the launch, and when you are within 6 feet of another person. Pulled up shirts do not count as face coverings.
- Face coverings are required, and gloves are recommended, on the fuel dock
- Access is not available to the clubhouse or clubhouse decks
- Access is not available to the beach, pool, or snack bar
- Parking is available for one car per visiting boat on club property. All other cars must be parked in the Riverside train station and crews are responsible for carpooling to the club. There is no on street parking on Club Rd.
- Restrooms are accessible in the bathhouse, however, due to state guidelines, the showers are not available
- Social distancing should be practiced while on club property
- Please do not leave any gear on the docks while you are out racing.

If you agree to these guidelines, please forward this email to jeff@riversideyc.org and someone will contact you to arrange for your visit.
