

MIAMI STAR WINTER SERIES WALKER CUP / MIDWINTERS

Coral Reef Yacht Club, Miami, Florida

February 18 - 21, 2021

MESSAGE FROM REGATTA CHAIRMAN

The CRYC Commodore has agreed to do a dry run with the upcoming Walker Cup/Midwinters Regatta, so we will open the upstairs bar for the Star competitors around 4pm daily.

Non-members can use that bar and we will try some dining options. Therefore, please communicate to the fleet that the Star Fleet lounge will be for them to utilize, yet they still need to be cognizant of the social distancing guidelines. Please remind them...no campus access, boathouse is good for drinks, showers, etc.

Also, still no crew or guests parking unless crew is a member. There will be pizza and beer Thursday and Saturday after racing.
