## Hamble Classics 2020 Racing and Social Programme

### Crew Register

All crew sailing on your boat are to be declared by the owner/ entrant online via the Yachtscoring entry system together with mobile phone number and email address for each person, and any substitutions are to be added to the list (no deletions please) before sailing each day.

### Social distancing and face coverings

Please read the pdf about procedures at the Royal Southern Yacht Club. Hamble Classics recommends that each crew member has a face covering available for use, and currently this is required while aboard the Royal Southern club launch.

### Car Parking

The car park at the RSrNYC is reserved for club members so if you are a Hamble berth holder please park as usual and walk to the club. The car parks in Hamble Square and on Hamble Quay are pay and display but free on-street parking is available in School Lane, Copse Lane, Spitfire Way, and sometimes in Hamble House Gardens. Please observe signage and yellow lines to avoid parking fines.

### Event updates including race info will be on WhatsApp:

<https://chat.whatsapp.com/BuMrinX84ayDXrxoPja3Ac>
