#### Overnight Sail Servicing

For boats based in Cowes, drop your sails after racing at the North Sails loft in Cowes Yacht Haven, or the sail drop-off/pick-up box outside the loft, emailing your details to Harriet at [cowes.service@northsails.com](mailto:cowes.service@northsails.com). Sails will be ready for collection before racing the next day.

For boats in Hamble, the North Sails van will be at HYS after racing, ready to take your sails to our Gosport loft. If you are back on the dock before racing ends, drop your sails in our Drop-Off shed at HYS. Sails can then be collected from our Collections shed at HYS before racing the next day (code for door: 7674).

And is being run in support of:

### Solent Mind

Solent Mind are a registered charity providing a wide range of high quality services to support people with mental health problems across the Southern Region.

They provide advice and support to empower anyone experiencing a mental health problem. They campaign to improve services, raise awareness and promote understanding. Their goal is for experiencing a mental health problem to get support and respect.

Solent Mind are part of a network of 140 local minds, in England and Wales which are independent charities. They have their own board of trustees, and raise their own funds. They tailor the support they give to the needs of people living in Hampshire.

### Hamble Sea Scouts

The Hamble Sea Scout Group was the first Sea Scouts Group in the country. Today it is also one of the largest with around 130 members spread across 4 sections catering for those aged from 5-18. The group recently added winning the overall under 14s class at the National Scout regatta to its list of achievements, cementing the groups position as one of the premier Sea Scout groups in the country.

The Royal Southern is going into the second year of supporting the Hamble Sea Scouts, and we are proud to say that in 2019 this support helped them purchase their Sigma 38, 'Spirit of Mercury'.

This year we are hoping to be able to help them in raising funds for urgent repairs and refurbishment required of the Hamble Sea Scout Group Headquarters.
