5.1 ~~6~~ **Ten (10)** Races are scheduled. **Three (3)** Races are required to constitute a Regatta.

5.2 The Race Committee will schedule between zero and three races for any given day and post the following day's schedule as soon as is possible, no later than 2000 on the day prior, dependent on the forecast conditions. The Organizer and Race Committee expect that there will be, but are not obligated to provide, at least one day with no racing.

5.3~~2~~ No warning signal will be made after 1400 on Saturday, March 13, 2021.

Reasoning: Due to the continued restrictions in response to the Covid pandemic, opportunities for social interaction are severely constrained. The Organizing Authority and Race Committee wish to provide sailors with a good experience, as has been the case for 93 years, and with the current lack of access to social gathering it is felt that increased access to sailing on Biscayne Bay should be provided. The above changes seek to give the Organizers and the Race Committee the ability to maximize the available sailing activities until the traditional variety of activities are again available.
