

## Notice of Race (NOR) - Amendment No. 2

1) ADD the following two (2) COVID 19 Protocols and Procedures to the NOR:

a) Each competitor (Skipper and Crew) shall submit documentation of having either:

(1) taken a COVID-19 molecular or antigen test **no earlier than June 8, 2021**, and received a negative result from that test; or

(2) fully completed their COVID-19 vaccination  
Final dose for a multi-dose vaccine must be completed **no later than May 28, 2021**.

Competitors failing to provide this documentation will not participate in the event.

**\*\*\* COVID test results or proof of a completed COVID vaccination as indicated above must be received by Julie Navin, no later than 8:00 am on Friday, June 11.**

You may submit them to Julie either by:

e-mail: [ncesa@e-scow.org](mailto:ncesa@e-scow.org) (preferred way) or during on-site registration

b) Each Skipper and Crew will be required to sign an acknowledgement of, and agreement to comply with the Regatta's COVID-19 Protocols and Procedures as a condition of competing. Due to the fluid nature of the pandemic and resulting state and local regulations and public health recommendations, the regatta's Protocols and Procedures will be published closer to the start of the event. The Protocols and Procedures will be posted on Yachtscoring and entrants will be noticed when they are a posted.

2) REVISED Friday, June 11 schedule:

7:45 – 8:30am Registration

8:45am Competitors' Meeting

11:00am Initial Warning Signal (3 races planned)

**6:00pm** NCESA Annual Membership Meeting

*Change: The NCESA hosted party and Post-race Debrief have been removed from the schedule.*
