APPENDIX S-2

SCORING FOR 2021

The scoring system used in the Off Soundings Club Spring Series continues to be the Time on Time method where a Time Correction Factor (TCF) is multiplied by the Elapsed Time (ET) to calculate the Corrected Time (CT). The Low Point System awards points based on finishing position in each class race per **RRS Appendix A**.

Race results are used to award Off Soundings **Series** trophies, **ECSA** Championship points and Off Soundings Club **Perpetuals**. Each group of awards uses a different TCF to calculate the Corrected Time.

The Burden of Winning (**BOW**) displays Performance Penalty Points (**PPP**) earned by the top performers in previous series. 3 points for a 1st, 2 for a 2nd and 1 for a 3rd. Points accumulate each series to a maximum of 9 and are removed after 3 series in the order they were received. Each PPP is equal to 8 seconds subtracted from your boat's base PHRF handicap.

Series trophies are awarded on combined results to the best low point finishers for each weekend series using BOW to calculate the TCF. The TCF formula for the Series result is:

$$TCF = 600/(480+(PHRF-(8*BOW))).$$

ECSA Championship points are awarded separately for *each race* and are calculated **without** the BOW with the following ECSA formula:

$$TCF = 650/(550+PHRF).$$

Perpetual Trophies are awarded for Off Soundings Club members for combined Spring and Fall results over One and Two Years. Those results are calculated *without* BOW using the Off Soundings traditional calculation. $TCF = 600/(480+PHRF)$.

For the Two Year Perpetuals, if 8 races are sailed, there is 1 exclusion allowed.

On the Scratch Sheet, the base PHRF ratings are listed without BOW. Next is the BOW displaying the PPP, followed by the PHRF rating minus BOW (PHRF-B). The TCF listed is calculated with PHRF-B. That TCF is used to calculate the results displayed for Series trophies on Yacht Scoring. ECSA results without BOW will be posted on Yacht Scoring after the weekend.

Series Trophies will be available for pickup after racing on Saturday between 5 and 7 pm and on Sunday from 11 am to 2 pm at Ram Island Yacht Club. Stay linked to Yacht Scoring for all the latest information and results.

SPECIAL NOTES **from the Race Committee**

The Race Committee Signal Boat will be *Noreaster*, a Hand 54' owned and operated by Henry duPont IV. The Pin Boat will be the 28' motorboat *Pop Edgar* owned by Tom Weeks. The Mark Boat will be the 29' motorboat *Squire*, owned by Norm Peck and operated by Bob Patton. Each will be flying a race committee flag.

The Race Committee will be docked at Ram Island Yacht Club in Noank beginning Thursday night through Saturday. No post race activities are planned by the Off Soundings Club based on public health concerns.

SAFETY PLAN

Medical emergencies that cannot be handled on board should be reported immediately to the Race Committee on VHF Ch. 72. The Race Committee will initially co-ordinate any rescue efforts. Be prepared to change to Ch. 71 when directed to hear further instructions from emergency authorities. If racing, drop your headsail only and turn your boat in the opposite direction of the racing fleet to help on water support boats identify your position.

911 is the standard Emergency phone number to contact authorities.

The US Coast Guard monitors Ch. 16.

Skippers should be aware of their proximity to docking facilities around the Sounds and New London Approaches and head to the closest one if medical assistance is required. Noank Shipyard at the mouth of the Mystic River, Shennecossett Yacht Club on Avery Point and Thames Yacht Club on the Thames River are the closest facilities that can be reached by emergency medical personnel.
