

WELCOME COMPETITORS!

Pre-Event Checklist

Competitors of the Lightning NAs:

We are just under three weeks away from the start of the Lightning North American Championship. We look forward to welcoming you all to Edgewater Yacht Club and showing you around Cleveland!

For those competitors who are attending WJMs at Pymatuning Yacht Club, you will have the same registration team! You will be provided with bow numbers at WJMs that will **remain on your boat** through the Lightning NAs in Cleveland.

As we prepare onshore, we need your help to ensure that registration goes smoothly on-site. There are some things that can be completed in advance and we ask that you assist in completing as many of these as possible prior to your arrival. The criteria below must be met to be considered fully registered:

- Entry fee paid in full by 1600 on Friday, August 6, 2021
- All Skipper and Crew:
 - Names must be listed on Yacht Scoring
 - Must sign the waiver on Yacht Scoring
 - Must be a member of ILCA
 - [ILCA Membership Form](#)
- Valid Measurement Certificate with current ILCA membership decal
- Boat is insured as per requirements in the NOR, section 23

If there are any questions about these requirements in the Class Rules, you can refer to [Document Governing All Sanctioned Lightning Class Championships](#) and [Lightning Class Document Library](#) or you can email office@lightningclass.org.

If you are looking to purchase daily boxed lunches, please note that the order form is due no later than **Sunday, August 8th at 5 pm**. The lunch order form is posted under the “*Documents & Forms*” tab on Yacht Scoring and can be sent to Caroline Sundman at csundman@wkyc.com.

Additional tickets can be purchased for the on-site events on Monday, Thursday and the awards dinner on Saturday evening. Tickets are \$15 each for Monday and Wednesday, and \$25 each for Saturday.

We look forward to seeing you in Cleveland!

Cheers!

Caroline Sundman
