

2022 Marblehead Race Week Logistics
July 28th – July 31st

The BYC is the host for the regatta this year.

1. Boats from out of town will need to arrange for a mooring. Moorings for the regatta may be arranged by calling the Eastern (781-631-1400), Corinthian (781-631-0005), or Boston Yacht Club (781-631-3100) and ask for the dockhouse.

Moorings:

Moorings will be made available from Thursday 7/28 – Sunday 7/31.

BYC: If there are boats arriving early or staying late, we will try our best to accommodate.

- Our nightly mooring fee is \$50 with launch service (outside of Thursday – Sunday).
- Sailors should expect to be rafted up with other boats on our moorings.

Other options for early birds/staying past Sunday:

Marblehead Harbor Master on Dockwa has moorings - \$60 + more for launch service

Launching:

Massachusetts Law requires a licensed crane operator to run the hoists.

Boats must stay in the water for the duration of the regatta, except for the Viper 640's (BYC) and Laser's (EYC).

BYC: All out-of-town boats must be hauled on Sunday and out of the lot, unless prior arrangements have been made. Please let us know approximately when you plan to launch, and we will assist you.

J/70's will launch and sail out of EYC.

Viper's will sail and launch out of BYC.

L30's will launch from EYC and then be on BYC member moorings and receive launch service.

Trailer Storage:

Trailer storage at Riverhead Beach is reserved for Jr Race Week trailers from Sunday 6/24 until 6pm on Wednesday 6/27.
