

How to declare “Additional Crew” in advance

Per NOR 6(c):

Crew identified after 1800 hours on September 25 (additional crew), shall complete online waivers and classification declarations at or before their weigh-in. The list of additional crew weighed and their classifications will be posted on the notice board and event website by 1000 hours on each race day. The classification protest time limit for any additional crew shall be 2000 hours on the day that such crew’s name was first posted on the official notice board and event website.

Crew schedules supplied at the time of Check In will greatly expedite this process. This way crews that meet the Class Rules will be automatically approved and listed. The following format is suggested:

Boat Name - Sail #	Thursday	Friday	Saturday	Sunday
Crew name 1	X	X	X	X
Crew name 2	X			
Crew name 3	X	X	X	X
Crew name 4	X	X	X	X
Crew name 5	X	X	X	X
Crew name 6	X	X	X	X
Crew name 7			X	X
Crew name 8		X
