NOTICE 2

Change to Notice of Race

Replace NoR 20.2 posted in Notice 1 with:

20 DIVING EQUIPMENT AND PLASTIC POOLS

20.2 Diving or swimming boats are prohibited both within and outside the Harbour from 1800 on Saturday 17th September to 1800 on Saturday 24th September, except that a diver holding a local permit is allowed to scrub the hull before 1000 of the mornings of Monday, Wednesday and Friday within Cowes Yacht Haven.

Explanation In order to have a fair and equal competition, each boat can have its hull cleaned within the times above. We have arranged discounted prices with Delta Divers +44 (0) 7400250472 who are licensed within the Harbour, to dive on the mornings of Monday, Wednesday and Friday starting at 0400. There should be no advantage in delaying launching because boats can be scrubbed first thing Monday morning. Competitors may at any time and within the existing marina regulations, scrub the hull using flossing, sponging or mechanical devices as long as no person enters the water. Brushes for this purpose may be provided by the Organisers.
