**Explanation**

1. Although the number of racing days (excluding Practice Race day) has been reduced from six days to five days, we still have nine races scheduled (NoR 9.3). It is currently NOT the intention to run more than two races per day, but NoR 9.4 and SI 9.4 permit the Race Committee to sail additional races 'in order to complete the programme because of weather or other reasons'.
2. An additional opportunity to weigh-in has been added on Saturday 17 September.
