

### **Q and A Number 1.**

The following questions have been received by the International Jury and are answered as follows.

I am confused by the use of the word "event" in P2.2. Please can you answer these questions:

1. If I receive a penalty in race 1, and then receive another penalty in another race, for example in race 2, do I have to retire immediately upon receiving that second penalty?

#### **Answer to question 1.**

**Yes.**

**The word "event" refers to the World Championship races excluding the practice race where any penalties are not carried forward to the Championship races.**

2. If I receive a third penalty in another race, for example in race 4, do I have to retire immediately upon receiving that third penalty?

#### **Answer to question 2.**

**Yes.**

**P2.2 repeats for all infringements after the initial penalty.**
