

Spectator Boat for Etchells World Championship

Cowes United is a skippered catamaran and is acting as a spectator boat during the World Championship.

The racing days are planned from Tuesday 20th September to Saturday 24th inclusive. There is no racing on Monday 19th September as it will be Queen Elizabeth's funeral.

If you wish to join the spectator boat, please email

mike.batcheler@seachange.uk.com

with your name, mobile number, email address, and names of any guests joining you. He is an experienced skipper.

Only 10 guests can be carried. No food or drink will be provided other than water but you are more than welcome to bring your own. There is a toilet on board. If you register and then decide not to go, please inform Mike so that he knows the numbers to expect. Should you need to call him, he's on +44 7774 735125.

The boat will be on Trinity Landing opposite the Royal London Yacht Club which is very near to the Royal Yacht Squadron.

Cowes United is not offering a taxi service and plans to return once racing is finished.

This facility is made available at your own risk.

The proposed muster times will be communicated by Mike in advance.
