

## Diving services – Etchells Worlds and Pre-Worlds

Delta have agreed to support the Pre-Worlds and World by creating a package deal for cleans, consistent with the requirements of Notice 2 published on the event website.

### **Worlds offer**

Delta offer a Cowes Harbour Authority approved diving service, open to all boats in the fleet.

Their team size, by regulation, is big enough to comfortably clean each and every vessel entered into this event pre-race on each specified day – they say that there is no need to worry about your vessel not getting cleaned or a poor job being done - their team are professionals and have been working in this industry for multiple years. During Cowes Week 2022 they cleaned the entire Cape 31 fleet, and the top performing Fast 40s & IC37 - some daily and all of them every second day.

They are also supporting the Student / Youth teams by giving them a specialised Youth Package - please contact them separately for more details.

The Delta offer is a price for a package deal which includes all 3 days of permitted cleaning during the Worlds:

**£250 NO VAT – 19<sup>th</sup>, 21<sup>st</sup>, 23<sup>rd</sup> September**

(subject to their normal T&Cs)

Invoice needs to be paid in full before the start of the event, by 18<sup>th</sup> September, or by CASH to be paid on the morning of Monday 19<sup>th</sup> September.

### **Pre-Worlds offer**

There is no restriction on cleaning during the Pre-Worlds.

For all Delta clients whose boat is booked to be cleaned by Delta during the Worlds, they are offering Pre-Worlds cleans at the following rate:

**£100 NO VAT per clean**

For other clients (i.e. those whose boat is not booked to be cleaned by Delta during the Worlds):

**£120 NO VAT per clean**

If you have already booked with Delta under a different arrangement, please could you return with a confirmation to adjust the cleans - invoices will follow.

If they don't have you booked in already for Worlds & Pre Worlds and you would like to be booked in, please send them the following information

- Vessel Name
- Days Cleaning Required

If you have any questions, please feel free to contact Delta at any time. Contact details are:
