### **Transpac 2023 NOR, text of 8.9:**

#### 8.9 Man Overboard Procedures

Each yacht with two thirds of the 2023 Transpac crew members shall:

8.9.1 Successfully complete a Man Overboard Drill and confirm functionality of the Man Overboard recording device (SER 3.15) by dropping an object overboard, activating the alarm, and motoring/sailing out of sight and then successfully return to and retrieve that object.

Successfully hoist a crewmember from the water back on deck, or complete other consistent means of re-boarding the crewmember. This may be done in shark-free waters or at the dock.

8.9.2 For Double Handed entrees each crew member shall successfully complete the recovery of the other crew member. This may be done in shark-free waters or at the dock.

8.9.3 Each yacht and participating crew shall confirm completion of the Man Overboard Procedures in 8.9 through completion of the Yacht Information and Attestation form.
