

## Start Dates Announcement

March 15, 2023

Aloha,

With over 60 boats entered, the 2023 Transpac Race promises to be another classic race to Honolulu. We're looking forward to welcoming everyone to Cabrillo Beach for the Mandatory Person in Charge meeting and Aloha send-off party on the USS Iowa on June 24.

With just over 3 months to go we know this is a busy time completing final preparations for the race. To assist you with planning travel, hotel, and other arrangements we are releasing the following start dates for each boat in the fleet. These are start dates only, the division breaks will be announced following the final rating submission deadline of May 26. We've also provided provisional dates and locations for the awards presentations which will be held separately for each start date.

As always, please don't hesitate to contact [Entry@transpacyc.org](mailto:Entry@transpacyc.org) if you have any questions.

Mahalo,
