Amendment 1

July 21, 2022

Paragraph 18 is amended as follows (highlighted language added):

18. INSURANCE: Each boat shall hold adequate insurance, including third-party liability insurance of \$1 million per incident (\$300,000 for Shields Class participants. Please note that acceptance of this limit does not mean that it would be enough to fully protect the vessel owner in the event of injury or death during the event). It is the boat owner and/or the person in charge's inescapable responsibility to ensure that the insurance is valid and adequate prior to participating in this event.
