Mark "1PR" is included as per the NOR. Mark detail for the St. Mary's River added for clarity.

Course: Leave to starboard: "1PR", Point No Point Light, Point Lookout Light, and St. Mary's River Junction Red and Green Buoy (FL (2+1) R6s). St. Mary's River Mark G"1" (FI G2.5s) shall be left to port, R"2" (FL R4s) left to starboard, G"3" (FI G6s) shall be left to port.

All Courses

Note about Kattack tracking, Anyone using the Android App on a newer (Android 10 or higher phone) needs to have the latest version of the App (4.0, can be checked on the status page of the app). And, Android has changed their privacy policy regarding tracking so the App must be the foreground App and the screen must not lock. **These new restrictions make it difficult to use the Android app for any kind of distance race, we encourage you to purchase a SPOT or Garmin InReach satellite tracker**
