HOSPICE TURKEY SHOOT REGATTA

September 30 – October 2, 2022

Rappahannock River Yacht Club Organizing Authority,
In partnership with Yankee Point Racing and Cruising Club

- 1. Rules:** The Regatta will be governed by the rules as defined in the *Racing Rules of Sailing*.
- 2. Eligibility:** Open to all mono-hull sailboats whose **design** is **20** years old or older and at least 18 feet long. USCG approved life vest required to be worn from start to finish to race single-handed.
- 3. Format/Ratings:**
 - 3.1** The regatta will consist of a buoy race on Saturday and a Pursuit race on Sunday.
 - 3.2** Boats without a current valid PHRF of the Chesapeake certificate will be assigned a rating by the Rating Committee. Boats without current certificates are asked to complete a HTSR Rating Application form. Once this form has been submitted, it will not need to be submitted in future years. This rating is not subject to appeal, outside of the Turkey Shoot Rating committee. The committee will make every effort to assure fair ratings. The committee will attempt to honor Hospice Turkey Shoot Regatta ratings from previous regattas. The overall winner of the 2021 regatta will get a 20 second handicap penalty and the 2020 winner will be assessed a 10 second penalty. A previous winner who has not raced again will also be assessed these penalties at their next attendance. Different winners make the regatta more fun for all.
 - 3.3** Spinnaker/Non-Spinnaker – Boats may sail with or without

spinnakers. Boats electing to fly spinnaker must so indicate on their Entry Form or at Registration on Friday, September 30, no later than 1900 hours. Boats making NO spinnaker declaration may not fly a spinnaker. Boats declaring spinnaker will be given a rating penalty of 21 seconds/mile for both days.

- 3.4** Boats will be assigned to a division based on their rating before the spinnaker penalty is applied.

4. Divisions: Ten Divisions are planned to include One Design Division(s), if there is a minimum of 5 OD Boats per Division. Boats will be placed in Divisions based on ratings and type of boat.
