APPENDIX F-3

SCORING FOR 2022

The scoring system used in the Off Soundings Club Fall Series continues to be the Time-on-Time method where a Time Correction Factor (TCF) is multiplied by the Elapsed Time (ET) to calculate the Corrected Time (CT). The Low Point System awards points based on finishing position in each class per RRS Appendix A.

Race results are used to award Off Soundings Series trophies, ECSA Championship points and Off Soundings Club Perpetuals. Each group of awards uses a different TCF to calculate the Corrected Time.

The Burden of Winning (BOW) displays Performance Penalty Points (PPP) earned by the top performers in previous series. 3 points for a 1st, 2 for a 2nd and 1 for a 3rd. Points accumulate each series to a maximum of 9 and are removed after 3 series in the order they were received. Each PPP is equal to 8 seconds subtracted from your boat's base PHRF handicap.

Series trophies are awarded on combined results to the best low point finishers for each weekend series using BOW to calculate the TCF. The Off Soundings TCF formula for the Series result is:

TCF = 600/(480 + (PHRF - (8*BOW)).

ECSA Championship points are awarded separately for each race and are calculated without the BOW with the following ECSA formula: TCF = 650/(550+PHRF).

Perpetual Trophies are awarded to Off Soundings Club members for combined Spring and Fall results over One and Two Years. Those results are calculated without BOW using the Off Soundings traditional calculation. TCF = 600/(480 + PHRF).

For the Two-Year Perpetuals, if 8 races are sailed, there is 1 exclusion allowed.

On the Scratch Sheet in this booklet, the base PHRF ratings are listed without BOW. Next is the BOW displaying the PPP, followed by the PHRF rating minus BOW (PHRF-B). The TCF listed is calculated with PHRF-B. That TCF is used to calculate the results displayed for Series trophies on Yacht Scoring. ECSA results without BOW will be posted on Yacht Scoring after the weekend.

SPECIAL NOTES from the Race Committee

The Race Committee Signal Boat will be *Allegro*, an EastBay 43 owned by Michael and Anne Karfopoulos of Stonington. The Pin Boat will be the 28' motorboat *Pop Edgar* owned by Tom Weeks of Mystic. The Mark Boat will be the 26' motorboat *Squire*, owned by Norm Peck of Niantic, and operated by Bob Patton. Each will be flying a race committee flag.

The Race Committee will depart from Ram Island Yacht Club in Noank on Friday morning and dock at Mitchell's Marina after racing in Greenport. The daily post-race "mainbrace splicing" rendezvous will be under the tent at Townsend's Marina in Greenport and is scheduled at 1700 or 30 minutes after the RC docks, whichever is later. Starting time will be texted to all skippers on Yacht Scoring.

Gardiner's Bay, Greenport Harbor and Stirling Creek are all no-discharge zones. There is a \$200 fine for discharging marine toilets and holding tanks into the water. The pump out boat monitors Ch. 73. For more information go to www.villageofgreenport.org.

SAFETY PLAN

911 is the standard Emergency phone number to contact authorities.

Emergencies that require outside assistance should be reported immediately to 911 and then to the Race Committee on VHF Ch. 72. The Race Committee will initially co-ordinate any rescue efforts with our support boats. Be prepared to change to Ch. 71 when directed to hear further instructions from emergency authorities. If racing, drop your headsail only and turn your boat in the opposite direction of the racing fleet to help on water support boats identify your position.

Communications with emergency teams on shore will be established by dialing 911. Be ready to transmit your location to the 911 dispatcher. If you must get to shore, be aware of the nearest harbor to your location. Eastern Long Island Hospital in Greenport is the primary care facility on the North Fork. The USCG, Shelter Island and Southold Police marine units monitor Ch. 16.

The legal age for drinking alcohol in New York is 21. The Master/Captain of each entrant is fully responsible for actions of their crew.
