17. [NP] [DP] SAFETY REGULATIONS

A boat that retires from a race shall notify the race committee via VHF radio before leaving the course, or when that is impossible, immediately after arrival ashore.

18. COMMERCIAL TRAFFIC

- 18.1 Racing occurs near active shipping channels. Please note the preamble to RRS Part 2.
- 18.2 A race committee boat may signal a boat that is racing to alter course to avoid impeding the passage of commercial vessels by making a sound signal (horn or whistle) and pointing flag W at the boat. The signaled boat shall promptly comply with the signal unless compliance would create an unsafe condition. If a boat fails to comply with such a signal, the race committee shall protest the boat. In this case, the protest committee shall assume that the course alteration would not have created an unsafe condition, and the protested boat shall have the burden of proving otherwise.
- 18.3 If a commercial vessel sounds five blasts at a boat that is racing, and/or the vessel or the USCG is subsequently able to identify the offending boat, the boat may be subject to protest. In the event the race committee files the protest, the protest committee shall assume that the identified boat has impeded passage or violated the U.S. Inland Navigation Rules, and the identified boat shall have the burden of proving otherwise.
- 18.4 A boat cannot exonerate herself when she may have broken SI 19. When a protest committee decides that a boat has broken SI 19, the penalty shall be disqualification not excludable (DNE).
- 18.5 The StFYC shall cooperate with and provide relevant information to the Coast Guard or other governmental authorities regarding investigations of boats impeding ship traffic or violating U.S. Inland Navigation Rules (33 CFR 83).

19. PRIZES
