Request for interpretation

*Melges 24 USA 864 is looking for an interpretation of NOR 2.2.

1. Can a boat have communication with a coach after the first warning of the day? Speaking person to person with the coach in speaking distance of the competitor.
2. Can a boat have communication with a coach over an open VHF channel after the first warning signal?
3. ^{speaking on} Is a non race committee VHF channel considered to be a voice transmission that is available to all competitors?

per 2.2⁴ Not permitted
