

**Little Traverse Cup**  
**August 11<sup>th</sup> to 13<sup>th</sup>, 2023**  
**SAILING INSTRUCTIONS**  
**AMENDMENT #2 AUGUST 11, 2023**

Please note the following changes:

1.5 Vakaros RaceSense system will be used for this regatta and is required to be mounted per GL52 guidelines and operational at all times while racing with the GL52 firmware and operational at all times while racing with the GL52 firmware. Each boat shall provide their own Vakaros Atlas 2 with GL52 RaceSense. The instrument shall be turned on 30 minutes prior to the first scheduled warning signal of the day and remain on for a minimum of 25 minutes after the last race of the day has finished. Atlas 2 devices will display a countdown timer, distance to the line and an OCS notification if you are on the course side of the line early for information purposes only. ~~Signals displayed on the Race Committee vessel shall take precedence for both starts and finishes.~~ Video, photo and/or electronic data relating to either starting or finishing shall not be accepted as evidence in either a scoring review or protest hearing. This changes RRS 62.1 (a).

9.4 If any part of a boat's hull is on the course side of the starting line at the starting signal, ~~observed visually or by~~ RaceSense will indicate the boat is OCS prior to the Start of the Race and the race committee will raise an X Flag in accordance with RRS 29.1 and attempt to broadcast her name, bow or sail number on VHF79. Failure to make a broadcast or to time it accurately will not be grounds for a request for redress.

9.5 If there is a failure of any unit the race committee reserves the right to make the visual call and will announce it over VHF79.'
