

FRIENDLY REMINDERS 2023 Queens Cup® Race

South Shore Yacht Club to Muskegon, MI

As a category 3 designated event, PFD's "must be worn while starting and finishing without exception and at all other times except when the Captain of the boat directs that PFD's may be set aside".

There will be a check-in boat flying the "L" flag (come within hail) Be sure and read and understand sailing instruction 16.1 (a) **Check-In**, regarding portable sail numbers and the check-in sail by procedure.

Please pass astern of the check in boat when checking in. Please **DO NOT** hail the check in boat on VHF radio to check in.

Read and understand RRS 26, STARTING RACES. The PHRF/ORC and One Design sections starting sequences after the shorthanded section will be at 10 minute intervals. See starting sequences. Make sure that your section flag is attached to the backstay or stern rail/pulpit if your boat does not have a permanent backstay.

Read and comply with SI 11.2 to call hail the race committee on **VHF 78** with your sail number before you **finish** and receive an acknowledgment.

Read and comply with SI 11.6 to call hail the race committee on **VHF 78** with your sail number immediately after your finish and receive an acknowledgement.

Read and comply with SI 16.1(b), **Check out**, regarding **Finish reports, and check out procedure**.

Read and comply with SI 17, Equipment and Measurement Checks, regarding contacting the docking committee on VHF 73 for docking and inspection instructions.

Be sure your YB Race Tracker is properly installed and functioning.

Please wait until you are entering Muskegon Lake before radioing for docking instructions.

The Queens Cup Finish Headquarters will be located in the Muskegon Yacht Club
