

To: All Captains and Navigators:

It is often difficult at night or at a crowded finish line to distinguish different boats.

We therefore ask your cooperation in remembering the following.

- When approaching the finish, you are required to call the Race Committee on VHF Channel 05A when rounding The Cows (Fl 6 sec Bell "32") off Stamford Harbor or, if approaching from the South, when 1 nm from the Finish. Identify your boat by name and sail number. You will be acknowledged.

- If you are finishing at night, please illuminate your sail numbers just before and just after finishing and confirm that you have been identified. This is especially important for those of you who have dark numbers on dark sails!

Thank you,

The Vineyard Race Committee
