SAILING INSTRUCTIONS

The notation [NP] in a rule in the SIs means that a boat may not protest another boat for breaking that Rule. This changes RRS 60.1(a).

1 RULES

- 1.1. Each Regatta in the Series will be governed for the entire series by the *Rules* as defined in *The Racing Rules of Sailing* (RRS).
- 1.2. If there is conflict between languages the English text will take precedence.
- 1.3. It shall be each competitor's sole responsibility to properly affix and maintain the bow numbers if assigned and provided at registration/check-in. See Attachment 3. [NP] [DP]
- 1.4. Applicable US Sailing Prescriptions are stated in full in Attachment 1.
- 1.5. STCR 35.5 changes RRS 44.1 to indicate that the penalty is a One Turn penalty per RRS 44.2.
- 1.6. Appendix T1 will be in effect. Appendix T1(b) is changed so that the post-race penalty shall be 20%, or 50 % of the difference between the boat's finishing position in the race and the score for DNF, whichever is less, if the number of racing yachts is greater than 15. A penalty acceptance form will be located on the [YachtScoring](#) regatta web page and may be submitted at the CRYC protest desk.
- 1.7. STCR 31.1.3 (Weight Rule) is in effect per NoR 1.7 as amended December 15, 2023, and changed herein. **NoR 5.6 is deleted.** Weigh in procedures will be as follows:
 - Saturday, January 6 (End of Levin Cup event), **and** Sunday, January 7 (End of Schoonmaker Cup event) – Teams in the top three places overall, and the top Team in each Division, will be notified to appear for weigh-in by posting on the ONB approximately 10 minutes after the end of Protest Time (see SI 15.2 below). The times and place of the weigh in will be included in the posting. This changes STCR 31.1.3.
 - Teams will have 15 minutes from posting or 25 minutes after the end of Protest Time, whichever is later, to appear at the weigh-in location. Failure to appear promptly will constitute a failure to meet the requirements of NoR 1.7.
 - If a Team does not weigh in, the next highest placing Team will be called for weighing. A 15 minute limit after the expiration of the previous weigh-in time will apply. Should any of these teams not weigh in within the 15 minute limit, the next place Team in order will be called under the same conditions (e.g. a 15 minutes from the previous time limit expiration to appear) until all award recipients are in compliance with NoR 1.7.

 - [DP] [NP] If any of the Teams called for weigh-in are listed for a hearing regarding another incident, the next place Team(s) in order will be called to weigh in at the same time as the Team subject to a hearing.
- 1.8. STCR 31.2.6 is modified to allow VHF radios to be carried on all boats for the sole purpose to monitor actions of the Race Committee (RC) and to transmit only in the event of an emergency or retirement on Channel 71.

Applicable US SAILING Prescriptions (Rx) to the Racing Rules of Sailing

Rx to 88.2 After rule 88.2 add:

US Sailing prescribes that sailing instructions shall not change or delete rule 61.4, Appendix R, or its prescriptions to rules 40, 60.3, 67 70.5, 70.5(a) or 76.1.

Rx to rule 61.4 Add rule 61.4:

61.4 Fees for Protests and Requests for Redress

US Sailing prescribes that no fees shall be charged for protests or requests for redress.

Rx to rule 67 After rule 67 add:

US Sailing prescribes that:

- a. *A boat that retires from a race or accepts a penalty does not, by that action alone, admit liability for damages.*
- b. *A protest committee shall find facts and make decisions only in compliance with the rules. No protest committee or US SAILING appeal authority shall adjudicate any claim for damages. Such a claim is subject to the jurisdiction of the courts.*
- c. *A basic purpose of the rules is to prevent contact between boats. By participating in an event governed by these rules, a boat agrees that responsibility for damages arising from any breach of the rules shall be based on fault as determined by application of the rules, and that she shall not be governed by the legal doctrine of 'assumption of risk' for monetary damages resulting from contact with other boats.*

Rx to rule 76.1 After rule 76.1 add:

US SAILING prescribes that an organizing authority or race committee shall not reject or cancel the entry of a boat or exclude a competitor eligible under the Notice of Race and Sailing Instructions for an arbitrary or capricious reason or for reason of race, color, religion, national origin, gender, sexual orientation, or age.

USSAILING Rx to Appendix R is in effect. The full text is available upon request.

MARK 3/GATE/LEEWARD

This language is inserted in the course description:

The R/C will lay Mark 1A approximately 50 - 100 meters (7 – 15 boat lengths) to windward of Mark 1. Boats shall pass in order Marks 1, 1A, and then 1 all to port before proceeding to the next Mark, per STCR 34.2. In the event of a change of course, both Marks can be moved to maintain the configuration of the course; Mark 1 or 1A can either be pulled entirely; or replaced by a mark vessel. This changes STCR 34.2, Courses.

The practical effects are that 1) it clears the boats approaching the windward Marks from boats rounding the mark and heading downwind much as the current “horizontal” offset to the side does, and 2) has the added advantage of moving the windward rounding pile-up off to the right and downwind of the top-end mark 1A, optimally to or past the starboard layline outside the limits of the respective zones. It increases the likelihood that the port tack boats approaching do so outside of the zones where RRS10 applies and there’s plenty of water to maneuver as needed.
