Hoist to be operated by an EYC certified crane operator. In addition, all lifting straps must bear the manufacturer's weight limits. Any lifting strap that is deemed to be worn, frayed or in ill repair by a LICENSED crane operator will not be allowed to be used.

Lightnings: Eastern YC has purchased proper lifting straps if needed. Lightnings who wish to dry sail may store some boats on the north and south side of the pier in slanted formation to allow for driving room in the center. The trailers SHALL not interfere with the north and south crane. All other Lightnings must be placed in dry sailing area which will also accommodate the ILCA fleets. .

ILCA fleets : Storage will be in the Dry Sailing area.

ALL J70 AND ETCHELL'S TRAILERS MUST GO TO DEVEREAUX BEACH (IN THE BACK) AS SOON AS POSSIBLE with the exception of Lightning trailers.
