Sunday Sailing Center Haul-Out:

- Beginning at 7:30am Sunday (no earlier), trailers attached to vehicles will be allowed to stage on the Northbound Lanes of Bayshore Drive (see map).
- Vehicles without trailers are not allowed to park on Bayshore Drive and will be towed.
- After racing, send a crew member to your vehicle/trailer on Bayshore Drive while the rest of your crew readies your boat for haul-out. Our staff controls access to the hoists and Sailing Center parking lot to ensure an efficient haul-out process.
- Wash-down/de-rig will take place in the parking lot of the Sailing Center. Boats needing extra time to pack up can return to Bayshore Drive with rig down.
- Bayshore Drive must be clear of all vehicles/trailers by 6:00pm Sunday.
- All boats must be removed from the Sailing Center by 6:00pm Monday.
