We are your official Sail Repair Source!

If you need sail repair work done during race week, please drop your sails with us at our Evolution Sails tent located at the northeast corner of the marina, between the College of Charleston Sailing Center and the Yorktown. Drop your damaged sails off by 5:15 with this card filled out with all your info and repairs needed and we'll have it back by 8:15 the next morning!

Call any one of our staff with questions!
