

Bermuda to Newport, RI  
Race Start: June 30, 2024

## **NOTICE OF RACE**

### **1 SPIRIT AND OBJECTIVE OF THE RACE**

The race is intended to be a sporting competition that additionally serves to enhance the safety of the return voyage. The event seeks to encourage more sailors to participate in and to advance the skills of short-handed ocean sailing.

### **2 ORGANIZING AUTHORITY AND EVENT MANAGEMENT**

- 2.1** The New York Yacht Club Regatta Association, Inc. is the Organizing Authority (OA) for the race. The Organizing Committee (“Committee”) for the race is comprised of the New York Yacht Club (NYYC), the Royal Bermuda Yacht Club (RBYC), and the Cruising Club of America (CCA). The OA and the Committee will work in concert in planning and conducting the Bermuda Short-Handed Return.
- 2.2** The OA may make amendments to the NOR at any time prior to the skippers meeting, and such amendments shall be posted on the Official Notice Board.

### **3 RULES**

- 3.1** The event is governed by the rules as defined in *The Racing Rules of Sailing*.
- 3.2** The current Offshore Racing Rule (“ORR”) shall apply.
- 3.3** Addendum 1 – US Sailing Prescriptions to the RRS shall apply. Only the prescriptions listed in this Addendum shall apply.
- 3.4** Between the times of local sunset and sunrise, RRS Appendix RV shall apply.
- 3.5** RRS 41 (c), OUTSIDE HELP will be replaced with: “(c) Help in the form of information freely available to all boats even if that information is only accessible at a cost. However, such ‘at a cost’ help shall not include private forecast or tactical advice or information customized for a particular boat or group of boats and/or her/their situation.”
- 3.6** The term “Skipper”, as used in this NOR and other race documents means the Person in Charge under RRS 46.
- 3.7** RRS 52, Manual Power, shall not apply, as per ORR 4.08. The use of autopilots is permitted.
- 3.8** RRS 56.2 IRPCAS 10 (traffic separation) will not be grounds for protests by boats. If there is a report from a government agency or from a disinterested vessel which was using the Traffic Separation Scheme that created an incident, the Race Committee (RC) may make a report to the jury, which may call a hearing.
- 3.9** Under World Sailing Test Rule DR21-01, the definition of *start* is changed as follows:  
**Start** A boat starts when her hull having been entirely on the pre-start side of the starting line, and having complied with RRS 30.1 if it applies, any part of her hull crosses the starting line from the pre-start side to the course side either:  
i. At or after her starting signal, or  
ii. During the last ONE minute before her starting signal.  
When a boat starts in accordance with item (ii) of the definition start, she shall not return to the prestart side of the line, and the starting penalty shall be 10 minutes added to her elapsed time without a hearing. This changes RRS 29.1, 30 and A 5.1.
- 3.10** If there is a conflict between languages, the English text takes precedence.
