

Weather Routing Inc. (WRI) is Pleased to Provide Weather Forecasts for the Screwpile Lighthouse Challenge

12 January 2024: Weather Routing Inc. (WRI), is proud to be the Official Weather Provider for the Screwpile Lighthouse Challenge!

WRI will be providing forecasts for the event, with an outlook sent on 18 July, and daily updates from the 19th-21st. These forecasts will be available by visiting the link on the event's webpage, or by visiting [this link](#). Weather maps and products specifically created for this event are also available at that link.

In addition, you can create your own complimentary trial account for SeaWeather.net, our supplemental online service, by visiting [this link](#). This account will connect you with additional forecasting products and charts specific to the Screwpile Lighthouse Challenge. **Note that this SeaWeather.net trial does not include our customized forecasts for the event; please visit the above link for this.**

About Weather Routing Inc. (WRI): WRI is the world leader in marine weather forecasting, providing forecasts and routing to a wide variety of clients, including: races, regattas, rallies, fishing tournaments, yachts, cargo ships, cruise lines, and marinas. All products are customized to each client and are produced by degreed and certified meteorologists with over a century of combined experience.
