Non-Vehicle Transportation

Chicago has extensive Blue “Divvy” bikes as well as electric scooters from a variety of providers (e.g. Uber, Lime) that can be utilized for transportation within the neighborhood as well as to and from the Chicago Yacht Club. Download the Divvy app on your mobile device’s app store. **Please note that electric scooters are not allowed on the lakeshore paths and geo-fencing is utilized to shut them down within approx. 1 block of the lake.** E-bikes and manual pedaling bikes are permitted in all locations.

Daily Parking

Daily Paid Parking is available at the south-end of Belmont harbor (orange-green highlight below). Payment is made using a mobile app, instructions are posted in the lot. **No free daily parking is available at the Chicago Yacht Club during the event.**
