Sons of Chicago are a band of eight rocking professional musicians that pay homage to two iconic American artists of the common man in one great show. Songs about the dreams, hope, hardship and glory of life in the USA are performed with the emotional energy of the originals we all know and love.

Springsteen songs including "Dancing in the Dark", "Glory Days", "Hungry Heart", "Tenth Avenue Freezeout", "Darlington County", "Bobby Jean", "The Rising", "Badlands", "Cadillac Ranch", "Born In The USA" and "Born to Run" are interwoven with Bob Seger classics "Roll Me Away", "Like a Rock", "Ramblin' Gamblin' Man", "I Feel Like a Number", "Old Time Rock n' Roll", "Katmandu" and "Fire Down Below" to create a rocking concert experience like no other.

Great food & drinks are available at the venue and at Waukegan Yacht Club. Bring chairs and blankets.
