

92nd Chicago to Waukegan Race

Final Results

The Waukegan Yacht Club Race Committee would like to congratulate the winners and thank all the participants who competed in the 92nd Chicago to Waukegan race.

The conditions were perfect for both high-speed kite rides and powered-up jib reaching.

The newly christened STP 65 Sagamore, finishing in just over two hours captured both Line Honors, and 1st in PHRF 1 section.

In an example of sportsmanship at the highest level, the Skipper of Hot Flash notified the race committee of a circumstance that results in her being scored OCS. Therefore, 1st place in JAM goes to Obsession, 2nd to Michela, and 3rd to 9 Lives VI. The 1st Overall fleet honor goes to Section 2 winner, ARIA.

Brag flags are being printed and will be mailed to the winning skippers accordingly.

From WYC Commodore Nikki Sullivan,

“Our WYC volunteer core is humbled that so many race participants chose to visit and support our club. We are most grateful for your new ideas for our future.

Although Mother Nature interfered with our plan to have the Sons of Chicago play on stage at our Port District neighbor Green Town on the Rocks, I wish to thank their owner and management for their willingness to partner with WYC. I must also share a heartfelt thank you to Nightshade and Dark's Pandemonium Brewing - who cherishes the diverse oddities of Waukegan stories enough to allow us to name their special brew the Carp Sucker to honor three generations of our Junior Sail Alumni.

Thank you all for visiting and sharing your weekend with WYC. I look forward to seeing you again next year”
