

## Welcome Back to the St. Petersburg Yacht Club!

Dear Competitors,

We're thrilled to welcome you back for the 2025 Helly Hansen Sailing World Regatta Series at the St. Petersburg Yacht Club! We're looking forward to another incredible event, both on and off the water.

This year, we're especially excited to introduce you to our **newly renovated downtown marina**. Here are a few key updates and important details to review before your arrival:

### Exciting New Marina Features

- **Concrete Floating Docks**  
Enjoy enhanced stability and durability with our upgraded dock system.
- **Pump-Out Station**  
Conveniently located near the fuel dock, available for a \$10 fee.  
*Note:* Fuel pumps are temporarily out of service due to hurricane damage, but we'll keep you informed of updates.
- **Electrical Safety Updates**  
Our new GFCI (Ground Fault Circuit Interrupter) system may trip power in response to certain boat electrical systems. Regular checks of your electrical systems are recommended to maintain power stability.

### Marina Guidelines

- **New Marina Layout**  
Please take some time to familiarize yourself with the updated layout to make docking and navigation easier.
- **Personal Dock Boxes**  
Under our updated rules, personal dock boxes are not permitted onsite. We kindly ask that you keep your belongings neat and organized, even while on the water.
- 

### Clubhouse & Onsite Information

- **Clubhouse Dress Code**  
We ask all guests to review and adhere to the updated SPYC dress code during your visit. Please remember to remove hats when inside the building.
- **Helly Hansen Store**  
This year, the Helly Hansen store will be located at the **southern entrance**, near the protest room, for your convenience.

We're delighted to host such an exceptional group of sailors and are committed to providing a welcoming and enjoyable experience for all. Thank you for choosing the St. Petersburg Yacht Club, and we can't wait to see you on the water!

Sincerely,

**Corey Hall**
