### 1. Rules:

The EGYC Annual Regatta will be governed by the 2013-2016 The Racing Rules of Sailing, the Sailing Instructions, the Notice of Race, and any amendments thereto. This race is classified as a Category "A" event.

All yachts, in addition to all federally required equipment, shall have a VHF radio aboard, and shall keep the radio energized on the Race Committee working channel VHF channel 72 from her "warning signal" until her "finish". Additionally, the Race Committee shall continuously monitor VHF channel 13, "Ship-to-Ship".

The Narragansett Bay race area, with its East and West passages and approaches to Providence and Fall River, are considered a "restricted channel" for commercial traffic and vessels in the navigation channel, restricted in their ability to maneuver. Sailors must comply with the International COLREGS when in such proximity to commercial or privileged marine traffic. Yachts which obstruct the safe passage of commercial traffic are subject to protest under The Racing Rules of Sailing. A violation under this instruction shall be considered a violation of rule 2. The Race Committee or Protest Committee, upon the report of information or observation of an incident **shall** protest a yacht. This is in addition to the requirements of rule 60.2(a) and the preamble to Part 2.

## 2. Eligibility:

If a Family Cruising Class competitor does not have a PHRF-NB 2016 rating they may apply to the EGYC Measurer for a rating that is valid for this event only. Any Family Cruising Class competitor, with or without a PHRF-NB certificate, may apply to the EGYC Measurer for a rating adjustment that is valid for this event only. These rating adjustments may be made for any reason, including but not limited to the materials, age, condition, or limits of the sails, the condition of the yacht's bottom, or the yacht's optimization for cruising. Rating adjustments may also be given for crew limitations; such as limited crew numbers, crew members all of one family, or use of a young crew. Family Cruising Class competitors are eligible for a 3 seconds per mile rating adjustment by having one or more crew, 18 years of age max, who are currently enrolled in a sailing program.

A letter or email should be addressed to the EGYC Measurer describing any aspect of the yacht which the owner/skipper believes should be used to adjust the rating. If the yacht does not have a 2016 PHRF-NB certificate a letter or email must be addressed to the EGYC measurer describing the yacht's manufacturer, model, size, sail sizes and propulsion as early as possible.
