Summer: July 21, 28, August 4, 11*, 18*, 25, September 1, 8

Eligibility: Open to single hull auxiliary powered cruising sailboats, 22 feet or more in length equipped with life lines (unless the boat is part of a recognized one-design class for which life lines are not required), running lights (which must be on after sunset), and head, whose owners have registered with the CBCA. All boats must be capable of motoring to and from the starting area. Skippers are strongly requested to join the YRA of LIS.

Entries: To enter, go to <http://www.yachtscoring.com>, select Cow Bay Cruising Association Series as the event, and proceed to register and submit payment electronically through that site. Entries must be made on a CBCA application form and be submitted as part of that electronic registration, along with a valid PHRF certificate. We will no longer be accepting paper entries. Questions may be directed to the fleet’s scorer Eric Weintraub, email at eric@adgiftsinc.com. **No boat will be scored without a fully completed and paid entry.**

Fees: Entry fee for all classes is \$225.

Handicaps: CBCA does not sail under the YRA of LIS PHRF Regulations, which are inapplicable to any CBCA event, race, or series. The CBCA organizing committee determines handicaps. Current PHRF handicap ratings as assigned by the YRA of LIS and in effect at the time of a boat’s registration with CBCA will be used as a starting point for determining the handicap of each boat in the fleet. Any adjustment shown on a boat’s PHRF certificate for reduced crew weight will be eliminated. Any boat in the cruising class will have its handicap determined by the CBCA organizing committee in its sole discretion, and may be changed at the conclusion of any series in the sole discretion of the CBCA organizing committee. A boat’s PHRF Rating as assigned by YRA of LIS may be additionally adjusted to reflect the skill of the sailors and/or the competitiveness of the various boats and/or the conditions encountered in Manhasset Bay.

Divisions: Entrants will sail in three divisions:
Division I - The lower rated boats (0-89 PHRF)
Division II - The mid-rated boats (90-149 PHRF)
Division III - The higher rated boats (150 and higher PHRF)
There will be a cruising class within Division III

Rules: The current Racing Rules of Sailing (“RRS”) shall govern, except as modified herein, and except that the prescriptions of RRS 82 are deleted and RRS 82 shall not apply (the Disclaimer, Waiver and Indemnity provisions of the CBCA Application to govern instead).

Special CBCA Rules:

- 1) Only one spinnaker pole or whisker pole shall be used at a time. This changes RRS 50.2 Spinnaker pole or whisker pole must be secured to the mast when in use and cannot be extended beyond or be longer than the J or SPL measurement in your PHRF certificate.
- 2) Jib and/or Genoa must be attached to the forestay (only one sail allowed at a time, except when changing). Spinnakers, Bloopers, code zeros and Staysails are not allowed except in specifically designated spinnaker races (see asterisked dates above). Division II boats may join in these spinnaker races, but will be scored for qualifying purposes only.
- 3) There is no weight/crew restriction for any CBCA event.

Marks: Marks and restricted areas are as defined on the Cow Bay Racing Association chart, which may be picked up online or at any of the bay yacht clubs.

Courses: The CBCA Commodore or Race Committee will announce the course on VHF Channel 72 using internationally recognized call signs, e.g. Alpha, Bravo Charlie, Delta, etc. The course will establish the marks and indicate whether the marks are to be rounded to port or starboard. If a course is posted on the Worry Wart course board, the posted course shall be the official course.

Courses posted or announced as “B A B A”, or similar, are NOT considered twice around.

Twice Around: A twice around course will be signaled by a “T” flag. For “twice around” courses, yachts **shall** cross the start/finish line on each upwind leg and shall **not** cross the start/finish line on downwind legs except to finish. An example of a twice around course is “BA Twice around” posted “BA” with the T Flag flying.

Shortened or Changed Course: The Race Committee or Commodore may change or shorten the course by making announcements over VHF channel 72. It is the responsibility of the competitor to monitor VHF 72 throughout the race. This changes RRS 32 & 33.

Start and Finish: In the vicinity of the committee boat, the Worry Wart, anchored approximately 1/2 mile NW of mark B in Manhasset Bay, unless a different location is announced..

Start/Finish Line: Between an orange flag on the Committee Boat and an inflatable buoy or pin. After starting, a yacht **may not recross** the start/finish line except when a “twice around” course has been set (see Twice Around instruction). The start line **will not be moved** and will become the finish line, unless an alternate finish line is established by the Race Committee. Prior to their warning signal, yachts shall keep clear of the starting area for the previous division.

Recalls: There will be minimal General Recalls. Recalls will be indicated by one horn blast for each yacht over early. RC will attempt to hail sail numbers or announce sail numbers over Ch. 72. RC will stay on station until all boats finish or 10:00 p.m., whichever is earlier, after which yachts shall keep their own times and phone or email them to the scorer.

Taking a Penalty: If there is no contact, a One-Turn penalty may be completed for exoneration. This changes RRS 44.1

Protests: In accordance with the current RRS. Protests must be delivered to the CBCA Commodore by e-mail no later than noon of the day following the race, with an original delivered promptly to the Manhasset Bay Yacht Club front desk addressed to the current CBCA Commodore.

Yachts shall not interfere with boats in other divisions. The RRS (as modified herein) apply to all divisions.

Series Scoring: 1. Scoring shall be in accordance with the RRS and Appendix A, except as noted. Eight races are scheduled for each series. Four races are required to be completed to constitute a series. 2. The low point scoring system of RRS Appendix A will apply, excluding the three worst scores. Races abandoned by the RC will not reduce the number of throwouts. Boats entering after the series begins will have missed races counted as DNC. 3. Once a race has been scored, no rescoring will occur for rating adjustments not reported in writing to the RC prior to the yacht's first

race of the series. 4. First gets 1 point; second gets 2 points, third 3 points, etc. DNF, DNS, DNC, OCS, DSQ, etc. get the number of paid entries in that division plus one.

Prizes: Awards will be based upon the number of entrants qualifying:

1st Place: Three or more

2nd Place: Five or more

3rd Place: Eight or more

In order to continue to present quality trophies, a yacht may be awarded a single trophy to encompass all awards won during the season.

Columbus Day Race: There will be a Columbus Day Race. A separate circular will be issued for that race.
