(c) RRS 42.3(c) is changed to allow the spinnaker sheet to be trimmed without restriction.

If the wind speed exceeds the specified limit the RC may display Oscar flag no later than the Warning Signal indicating that the umpires will not penalize for RRS 42.2(a) when the spinnaker is properly set.

If the wind speed exceeds the specified limit after the starting signal the RC may display Oscar flag with repetitive sounds at a mark to signal to a boat that the umpires will not penalize for RRS 42.2(a) when the spinnaker is properly set and after she has passed the mark.

If the wind speed becomes less than specified limit after Oscar flag was displayed, the RC may display flag Romeo with repetitive sounds at a mark to signal to a boat that this sailing instruction no longer applies after she has passed the mark.
