SAILING INSTRUCTIONS**

ELIGIBILITY

Single-hull, self-righting sailboats of 20 feet or more overall length, generally meeting the requirements of IRC or PHRF. The CAN ONE E. R. A. is open to members of Huguenot, New York Athletic Club, Glen Island, Orienta, American and Larchmont Yacht Clubs and other interested parties. The CAN ONE Executive Committee will be the sole judge of a yacht's eligibility.

ENTRIES

Entries for each season must be made on the CAN ONE E. R. A. entry forms or through www.yachtscoring.com and must be accompanied by annual dues.

HANDICAPS

Yachts will be handicapped on the basis of PHRF Ratings as issued by the YRA of LIS. All CAN ONE members are urged to join the YRA, obtain a PHRF Certificate and become familiar with the Racing Rules. After two years of membership in Can One, a member yacht is required to join the YRA of LIS and hold a current PHRF certificate. (For information, www.yralis.org or call the YRA of LIS office at 516-767-9240.) If a yacht does not have a current PHRF Certificate, the CAN ONE Scorer/Handicapper shall assign a rating valid only for CAN ONE races. Spinnaker divisions will be scored using both PHRF and IRC ratings.

RULES

CAN ONE EVENING RACE ASSOCIATION racing will be governed by the rules as defined in The Racing Rules of Sailing for 2009-2012 including US Sailing Prescriptions, except as modified herein.

AN IMPORTANT NOTICE TO MEMBERS

THERE WILL BE A "KEEP AWAY" BUOY TETHERED TO THE STERN OF THE COMMITTEE BOAT. THIS BUOY IS CONSIDERED TO BE PART OF THE COMMITTEE BOAT; TOUCHING IT IS THE SAME AS TOUCHING THE COMMITTEE BOAT. ALL COMPETITORS ARE REMINDED THAT COMMITTEE BOATS USED FOR CAN ONE RACING ARE NOT OWNED BY CAN ONE; THEY ARE EITHER PRIVATE MOTOR YACHTS VOLUNTEERED BY THEIR OWNERS OR THE LARCHMONT YACHT CLUB COMMITTEE BOAT WHICH IS BRAND NEW. PLEASE KEEP YOUR DISTANCE!!

SCHEDULE AND CLASS FLAGS

Can One Evening Races begin May 13th, 2010 and continue every subsequent Thursday until September 9th. The scheduled time of the warning signal for the first division start is 1900 hours. The Can One E. R. A. Fleet will be divided into divisions, (classes), based upon the PHRF ratings of registered yachts. A Scratch Sheet with ratings and divisions will be available from the Can One website and the Committee Boat. Class Flags will be numerical.

RACING AREA

The racing area will be in the vicinity of Can One.

COURSES AND MARKS

Courses for each division will be signaled by the Race Committee boat using black letters on a white board. Each letter represents a government mark per the following list and the enclosed chart.

Whenever possible, the Starting and Finishing Marks, (not the Committee Boat), will be set so all marks will be passed on the same side. **Warning:** While not required, it is recommended that a yacht not pass between Execution Rocks Lighthouse and buoys N "44" and N "RG".

SHORTENED COURSES

In a dying or light breeze, or in the event of an impending storm, the Race Committee may shorten the course by finishing the lead boat at any turning mark. This will be indicated by displaying Code Flag "S" (Blue Rectangle in center of White Flag) on the Committee Boat or Mark Boat, and signaling by sound signal for the first yacht to finish. Shortened courses will also be signaled by two sound signals once the Committee Boat is on station for the finish. This finish line shall be crossed in the direction from the last mark rounded.

TWICE AROUND

When a twice-around course is signaled, yachts shall complete the first lap by sailing through the Start/Finish line. Racers are advised to be alert for a Shortened Course signal, should the committee choose to make such a decision at this point in the race.

STARTING AND FINISHING LINE

The Starting Line shall be located in the vicinity of but not necessarily at Can One, .8nm. North of Execution Rocks. The Race Committee flag will be flown by the Committee Boat. The Race Committee will endeavor to inform the fleet about the evening's racing on Channel 71. When possible, the Race Committee shall shorten the finish line to make it easier to identify finishing yachts and their relative positions. Finishing yachts are advised to IDENTIFY THEMSELVES as they approach the finish line. Hailing on Channel 71 is acceptable. Making a note of yachts crossing the line ahead of you and after you may be useful to you and/or other competitors in the event of discrepancies.

STARTING SYSTEM

RRS 26 shall be used as the Can One E.R.A. starting system. Starting signals shall be made with flags hoisted and horns sounded on the Committee Boat in accordance with that procedure. Members are advised to thoroughly acquaint themselves with Rule 26.

STARTING TIMES AND SIGNALS

* NOTE * A yacht that interferes with the start of another yacht in a division starting earlier is subject to protest and disqualification. A CAN ONE yacht may not sail in the area immediately downwind of the starting line or cross the starting line during the interval between the first Warning Signal and the Warning Signal for that yacht's divisional start.

POSTPONEMENT OR CANCELLATION

Postponements will be signaled by Code Flag “AP” and two sound signals. The “AP” flag will be lowered 1 minute before the Preparatory (5 minute) signal for the division scheduled to start next. Cancellation shall be signaled by three sound signals.

TIME LIMIT

To constitute an official race for a division, the first yacht must finish within 2.5 hours of its start. Any yacht not finishing a race within 3 hours will be scored DNF.

PROTESTS

To preserve the informal nature of the racing, protests are discouraged except in the event of serious violations of the rules or in the event of contact and/or damage to yachts. All protests will be heard in the open to make the protest hearing a learning experience for all sailors.

To lodge a protest, the following procedure must be adhered to:

1. To initiate a protest, the protested yacht must be notified! A RED protest flag must be flown from your backstay as soon after the infraction as possible, and carried until the finish line is crossed.
2. Notify the Committee Boat after Finishing! (Round up on the side opposite the line after finishing and give the Race Committee the name and sail number of the protested yacht.) If the Race Committee has already left the Finish Line, a protest should be filed with the Race Committee within 1.5 hours after finishing.
3. The Protest Hearing will take place immediately after the race, at Huguenot Yacht Club. Failure to show on the part of either party within 1.5 hours after the Race Committee leaves the finish will constitute a default.

SCORING

Scoring will be calculated by the use of the Cox-Sprague System, with the points for each race determined by the number of starters in the division and the finishing position of each yacht. Prizes will be awarded for final season standings of qualifying yachts in each division. Participation in a minimum of eight of the scheduled races is needed to qualify. (Yachts serving as Race Committee, starting a race that is subsequently cancelled or in the Starting Area during a Postponement prior to a Cancellation, shall receive credit toward qualifying should the yacht not otherwise complete the required eight races.) If a yacht sails in more races than needed to qualify, its season standing shall be determined by the average score of the yacht's best eight races.

COMMUNICATION

The Can One Race Committee shall communicate any pertinent information over VHF 71. It is suggested that this channel be monitored by all race participants before leaving to race, (for possible weather warnings), and at all times until finishing.

CAN ONE STARTING SEQUENCE

Races shall be started by using the following signals. Times shall be taken from the visual signals; the absence of a sound signal shall be disregarded.
