HAUL IN & OUT REQUEST

We contacted Shake A Leg and US Sailing Center and asked for their availability.

Shake-A-Leg does not want to commit with us as a group, but they may accommodate you individually.

US Sailing Center is accepting reservations with the following terms: Boats must stage at Regatta Park (see map) and allowed to go to USSC as directed by MSW personnel; this is due to lack of maneuvering space at the facility. Cranes are available once the Stars are all in and before they return from their regatta... that should be from 10:00am to 3:00pm

FEES

- USSC cost is \$30.00 + tax each way. Please send us the request form.
