

Helly Hansen NOOD at Marblehead Race Week

All participants wishing to partake in the NOOD Regatta sponsored parties must purchase a party ticket. Party tickets will be good for Friday, Saturday, and Sunday parties.

There are no party tickets included with registration. Tickets can be pre-purchased online at <https://yachtscoring.com/emenue.cfm?eID=6038> for \$48. Party ticket prices will increase at the door.

- If you included payment for your party tickets with your entry, you will receive them at registration.
- Each ticket will be hole-punched on the appropriate day and a wristband will be put on you. Only people with a NOOD wristband will receive the sponsored food and drinks.
- That day's wristband is only good for that day's party. Please remove your wristband after the party ends. The next day your ticket will be hole-punched and a new wristband will be issued.

PLEASE FOLLOW THIS PROCEDURE EVERY DAY

For skippers with alternating crew, this process will allow skippers to easily transfer tickets between crew and guests. The party ticket eliminates the need for wearing the wristbands while racing.

***PLEASE WARN YOUR CREW THAT LOST OR
STOLEN TICKETS WILL NOT BE REFUNDED***

Club Information
