**NOTICE OF RACE AMENDMENT 2**

The original Notice of Race required a “valid 2018 ORC Club or ORC International Certificate.” This year ORC updated their rule earlier than in years past, replaced the 2018 ratings with the new 2019 ones. 2018 ORC ratings are no longer valid, the requirement of the NOR cannot be met, all ORC boats have been issued updated 2019 certificates, and the following amendment is made to the first sentence of NOR 5.4:

- 5.4 **ORC** rated boats with a LOA of 25 feet minimum having submitted a completed entry form and a valid ~~2018~~**2019** ORC Club or ORC International Certificate are invited.
