

April 19, 2020

Ahoy Transpac-Tahiti Race competitors & sponsors –

We hope this letter finds you, your family and your crew safe and well in these uncertain times.

With these in mind, and after a thorough discussion of options, the Transpacific Yacht Club Board of Directors has voted to reschedule the 2020 Tahiti Race to May 2022.

This was a very difficult decision given the efforts made by all of us, especially you and your team, to enter this exciting and historic race.

Entry fees paid will be refunded to you automatically.

Our traditional LA to Honolulu Transpac race is scheduled for July 2021, and we hope you consider an entry in this race too. More info is at www.transpacyc.com.

We will continue to generate excitement for Tahiti Transpac 2022 on our website and media channels, and actively solicit interest among the Transpac 2021 race entries and other offshore sailors everywhere.

Any questions please contact Race Committee Chair Tom Trujillo or Race Entry Chair Dave Cort.

We hope you remain safe during this difficult time and that you keep our races in your sailing plans for the future.

With best regards,

Jim Eddy
Commodore, Transpacific Yacht Club
