- 4.3. When flags "A" over "S" are displayed ashore, it means an "Alternate Starting area will be used." When an alternate starting area is to be used, the location may be listed on the bulletin board on the dock, and/or may be announced on the radio.

**5. SCHEDULE OF RACES**

- 12.3. After starting, the Race Committee may shorten the start/finish line by moving the pin or relocating the finish boat without signaling. This changes rule 33.

- 13. PENALTY SYSTEM** – The alternative scoring penalty for arbitration shall be equal to 40% of the number of boats competing in that race, rounded upward, but not more than a DSQ. This changes rule 44.3(c).

## **14. TIME LIMITS FOR ALL CLASSES**

- 14.1. The time limit will be 2015 hrs.
- 14.2. Boats failing to finish within the time limits will be scored DNF without a hearing. This changes Rules 35, A4 and A5.

- 15.4. Breaches of instructions 11.2, 17, 19, 20, and 21 will not be grounds for a protest by a boat. This changes rule 60.1(a). Penalties for these breaches may be less than disqualification if the protest committee so decides. The scoring abbreviation for a discretionary penalty imposed under this instruction will be DPI.
- 15.5. If the race committee posts a list of boats scored OCS, ZFP or BFD on the official notice board before the protest time limit, a request for redress based on such a posted score shall be made not later than one hour after the protest time limit. This changes the first sentence of rule 62.2.
- 15.6. An arbitration judge may initially review all protests involving a rule of RRS Part 2.

**16. SCORING** – The Scoring System for the Series shall be the LOW-POINT AVERAGED SCORING SYSTEM as described below

**16.1. Races to Count and Minimum Required**

The series will consist of the races as described in above Section 5 “Schedule of Races”. To qualify for inclusion in the final series results a boat shall compete in (i.e., come to the starting area for) at least 55 percent of the races completed by her class.

**16.2. Race Scores**

**16.2.1. Time-on-Time scoring** will be used for all handicap classes based on each boat’s PHRF of Narragansett Bay rating certificate.

**16.2.2.** Each boat finishing a race, and not thereafter retiring or being disqualified, will be scored as follows:

<u>Finishing Place</u>	<u>Score</u>
First	1
Second	2
Third	3
Fourth	4
Each place thereafter	Add 1 point

All other boats that compete in that race, including any that finish and thereafter retire or are disqualified, will receive the score for the finishing place one more than the number of boats competing in that race. Boats that do not compete in the race (DNC) will not be scored.

**16.3. Series Scores**

**16.3.1.** The series score for each boat will be the sum of her race scores divided by the number of races for which she is scored. When a boat competes in at least 75% of the races completed by her class, her worst score will be excluded from the sum of her race scores.

**16.3.2.** When a boat competes in 11 races, her two worst scores will be excluded from the sum of her race scores.

**16.3.3.** An excluded race counts as a race to qualify a boat for a series score, but not as one of her scored races. The qualified boat with the lowest series score is the winner, and others are ranked accordingly.

**16.4. Ties and other Rules**

**16.4.1.** Race ties will be broken using rule A7.

**16.4.2.** Series ties will be broken using rule A8. Rules A1, A3, A5, A6, A10 and A11 also apply.

**17. SAFETY REGULATIONS**

**17.1.** A boat shall Check-In prior to racing by identifying herself by sail number and reporting the number of souls aboard. It is each boat’s responsibility to assure acknowledgement from the race committee.

**17.2.** Check-In shall be done when passing within hailing distance of the race committee signal boat, or by VHF radio channel 72 as follows:

**17.2.1.** The boat shall be underway towards the racing area with all crew aboard.

**17.2.2.** No radio Check-In will be accepted after the warning signal for the first class.

**17.3.** A boat shall Check-Out with the race committee by finishing the race, or, if retiring, to do so as soon as possible on Channel 71 VHF, or by passing within hailing distance of the RC boat and so communicate verbally. A yacht that has withdrawn must not cross the finish line.

**17.4.** Narragansett Bay, including Bristol Harbor, is considered a “restricted channel” and there shall be no interference with commercial or privileged marine traffic. When boats meet vessels not sailing under these Sailing Instructions, the rules of Part 2 are replaced by government right-of-way rules. The race committee or protest committee, upon the observation, or proper report, of an incident shall protest the boat. This changes rules 60.2 and 60.3.

**18. EQUIPMENT AND MEASUREMENT CHECKS** – A boat or its equipment may be inspected at any time for compliance with the class rules of designated One-Design classes, PHRF Certificate and Sailing Instructions.

**18.1.** On the water, a boat can be instructed by the race committee inspector or measurer to proceed immediately to a designated area for inspection.

  - 21.2. VHF Channel 71 will be used for any announcements by the race committee and for communication with competitors; except radio check-in
  - 21.3. VHF Channel 72 will be used for radio check-in only; following the protocol noted under Safety Regulations
22. **PRIZES**
- 22.1. Daily trophies will be awarded to each class for 1<sup>st</sup> & 2<sup>nd</sup> places (3<sup>rd</sup> place if 5 or more boats compete)
  - 22.2. Separate daily trophies will be awarded for One-Design classes.
  - 22.3. Season trophies will be awarded to each class for 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> places.
  - 22.4. The boat with the lowest scoring average in all regular classes that average five or more competitors per race will receive a trophy.
23. **DISCLAIMER OF LIABILITY** – Competitors participate in the races entirely at their own risk. See *RRS* rule 4, Decision to Race. The organizing authority will not accept any liability for material damage or personal injury or death sustained in conjunction with or prior to, during, or after the races.
24. **INSURANCE** – Each participating boat should be insured with valid third-party liability insurance.
